

## **WEEKLY UPDATE**

**August 19, 2020**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. We continue to be COVID FREE at Villa Rosa! The results of last week's Staff tests were all NEGATIVE! We continue to test Staff Weekly as per the Maryland Department of Health and Governor Hogan's guidelines. Over the course of the Pandemic we have had 26 residents and 4 Staff with COVID-19. Our last case was May 26<sup>th</sup> and we were cleared by the Prince George's County Health Department on June 15<sup>th</sup>, 2020. Although we are COVID FREE we need ALL Residents to wear Face Masks when out of their rooms. Staff need to wear Face masks AT ALL TIMES at Villa Rosa. This is in accordance with the Maryland Department of Health and CDC guidelines. These actions are necessary to protect our Residents and Staff.

Please contact the facility to schedule a Facetime with your loved one!

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-459-4700.

Sincerely,

*Barry Grofic*
